

ESTIV2012 Conference Timetable Overview

	Tue 16th Oct	Wed 17th Oct	Thurs 18th Oct	Fri 19th Oct	Sat 20th Oct
9:00		Ocular toxicity (90 min) <i>new opportunities for testing mechanisms of action</i>	Carcinogenicity testing (90 min) <i>epigenetics non-gentoxic carcinogenesis</i>	ASCCT session (90 min)	Post- Conference Workshop <i>In vivo extrapolation of in vitro data in toxicology - Bas Blaauboer</i>
10:00		Coffee & Posters (60 min)	Coffee & Posters (60 min)	Coffee & Posters (60 min)	
11:00		Systemic toxicity (90 min) <i>SEURAT-1 and competing strategies mechanisms of action</i>	Carcinogenicity testing (90 min) <i>epigenetics mechanisms of action</i>	Computational toxicology and toxicokinetics (90 min)	
12:00					
12:30					
13:00	Satelite WS	Lunch&Posters (90 mins)	Lunch&Posters (90 mins)	Lunch&Posters (90 mins)	
13:30					
14:00	ESTIV, CAAT-EU, IVTIP meeting on <i>The 'Economics of Alternatives'</i>	Dermal toxicity (90 min) <i>irritation (new opportunities) mechanisms of actions</i>	Social event (240 mins)	Reproductive and developmental toxicity (120 min) <i>current testing new opportunities mechanisms of action</i>	
14:30		Coffee & Posters (60 min)		Closure	
15:00		Innate immune responses in toxicity <i>strengths and limitations of 'innate' tests mechanisms of action</i>		End of day 3	
15:30					
16:00					
16:30	Registration				
17:00					
17:30					
18:00					
18:30	Welcome Talks	End of day 1	End of day 2		
19:00	KeyNote Talk (60 min)		Conference Dinner
