

International Society of Exposure Science
26th Annual Meeting

JOIN US FOR
ISES2016!

The 26th ISES conference will be held in Utrecht,
located in the centre of the Netherlands

- › A unique historic setting
- › A mere 30 minutes by train or car from Amsterdam Schiphol Airport
- › Easily accessible by train or car from surrounding countries

Utrecht and the surrounding area hosts many of the Netherlands' exposure science experts at the National Institute of Public Health and the Environment (RIVM) and in the Utrecht Science Park, which is home to Utrecht University and many research-related companies.

SCIENTIFIC THEMES

- › Bridging Disciplines in Exposure Science to Inform Policy
- › Connecting External and Internal Dose for Risk Assessment and Source Mitigation
- › Development and Harmonization of Exposure Assessment Methods, Databases and Models
- › Emerging Chemicals: Innovative Approaches to Detection and Assessment
- › Developing and Advancing Exposure Science Education Programs

We welcome submissions on these and other exposure science topics!

Venue: www.jaarbeurs.nl/supernova

KEY DATES

- › Symposium proposal submission opens November 1 and closes December 20, 2015.
- › General abstract submission opens February 1, 2016.

Plan your submissions now!
